### KISS MY ASH

The Art Guys, dynamic and zany duo Michael Galbreth and Jack Massing, are taking their 25 years of creating art together to a new level this year by auctioning off their own ashes (in life-size bronze bust-form vessels, after their future cremation)—and by marrying a plant.

The ash auction ends at 11:59PM this April Fool's Day, and bidding starts at \$1 million. The plant marriage will likely be an over-the-top performance event, with plans already in the works. "I don't think we'll have any issues with bigamy or trigamy," Galbreth says. "It's a cross-species thing, so we probably don't have to go to Canada to do it. But we do ask that people don't bring flowers. It's a sensitive issue."
